

Erin Joyce Memorial Scholarship Application

The Erin Joyce Memorial Scholarship was created to honor an exceptional student-athlete. Erin embodied everything positive about our sport. She was a talented athlete, a supportive teammate and a dedicated friend. She made sure everyone was accounted for and included, making her loved by her friends and colleagues. She had a warm and infectious smile and a radiant personality. Erin was very strong-willed and was not hesitant to stand up for what she believed in.

The purpose of the Erin Joyce Memorial Scholarship is to offer financial aid to senior ET Cross Country and/or Track & Field student-athletes in continuing their education after their four-year journey at El Toro High School. The EJMS will offer up to four \$500.00 scholarships to eligible senior students-athletes. A scholarship committee will review all qualified applications through a screening process and select at least one male and one female recipient. If no student-athletes meet standards, then the award will not be given. The male recipient(s) will receive the EJMS in memory of Angel Alvarez. Awards will be presented at our annual ET Track and Field banquet.

Criteria for evaluation and selection are:

- Athletic participation, leadership, and attitude in Cross Country and/or Track & Field.
- Academic achievement (minimum 3.0 GPA).
- Team leadership, citizenship, and participation.
- Current team member of ET Cross Country and/or Track & Field.
- Participation in ET Cross Country and/or Track & Field for at least 3 years in good standing (no team policy violations, no written warnings).

Please read the instructions carefully. Include the following with your completed application. Please feel free to continue any or all sections on a separate piece of paper.

1. Current, official El Toro HS transcript (signed, with ET seal) from your counselor.
2. Two letters of recommendation. One from a teacher or a counselor and one from an ETXC or ETTF coach. Please request letters in a timely matter. Please note that letters of recommendations from Administration will not be accepted. Administration consists of the principal and assistant principals.
3. Complete the application on Page 2 of this document
4. t, along with a short essay on your experience as a team member of ET Cross Country and/or Track & Field.

Deadline: May 12, 2026
